AGENDA ITEM # 4

TO: Public Arts Commission

FROM: Jon Maginot, Staff Liaison

SUBJECT: Community Center signs

RECOMMENDATION: Discuss the potential signs for the new Community Center and provide input as needed

BACKGROUND

The City is currently in the process of designing a new Community Center to replace the Hillview Community Center. The City Council has approved the final design and the City is preparing construction documents to solicit bids for construction.

DISCUSSION

One aspect the City continues to finalize are the entrance signs to the new Community Center. It is recommended that the Public Arts Commission review the potential designs and provide feedback as needed.
