AGENDA ITEM # 11

TO: Public Arts Commission
FROM: Jaime Chew, Staff Liaison
SUBJECT: Future Community Art Projects

RECOMMENDATION:

Take action as appropriate on Two Worlds Poetry Reading, repurposed art, and art in Council Chambers

BACKGROUND & DISCUSSION

At the August 12, 2021, Public Arts Commission (PAC) special meeting, the Commission recommended to agendaize the discussion of the Two Voices/One Community Poetry Reading program. The period between the Martin Luther King Jr. holiday and the Lunar New Year was identified as an ideal timeframe.

Staff recommends that the Commission discuss and recommend to host or not to host the Two Voices/One Community Poetry Reading program, and determine a timeline if appropriate.

It is recommended that the Commission will discuss repurposed art, and art in the Council Chambers and take action as appropriate.
