BACKGROUND & DISCUSSION

In Fall 2018, the Public Arts Commission (PAC) appointed a subcommittee of King, Rini, and Waldman to discuss potential artwork for the new community center.

As of September 30, 2021, Commissioner Rini will complete her 2nd term as a PAC Commissioner. As of September 14, 2021, Commissioner King was appointed to her 1st full term as a PAC Commissioner. Vice Chair Waldman is currently serving her 2nd term expiring in September 2023. New Commissioners will not begin their work with PAC until the regularly scheduled meeting on October 28, 2021. City staff is evaluating the current Community Center Art Subcommittees ability to continue work through October 28, 2021 prior to the new Commissioners beginning their terms.

City staff will provide an update pending a determination from the City Attorney.
