AGENDA ITEM # 3

TO: Public Arts Commission
FROM: Jon Maginot, Staff Liaison
SUBJECT: Mutha Hen location

RECOMMENDATION:

Discuss potential locations for relocation of Mutha Hen

BACKGROUND

Mutha Hen was installed at the corner of State Street and Third Street in 2017. The City purchased Mutha Hen from the artist in 2021.

DISCUSSION

At its January 27, 2022 meeting, the Public Arts Commission directed Chair Waldman to recommend potential locations for Mutha Hen. With the increase in outdoor dining opportunities, Mutha Hen is consistently in conflict with tables and chairs from neighboring restaurants. It is recommended that alternate locations be considered.
