AGENDA ITEM # 7

TO: Public Arts Commission
FROM: Jon Maginot, Staff Liaison
SUBJECT: Community Center Art Subcommittee

RECOMMENDATION:

Receive an update from the Community Center Art Subcommittee

BACKGROUND

In preparation for the completion of the new Los Altos Community Center, the Public Arts Commission (PAC) undertook an effort to provide public art for the new center. A subcommittee of Commissioners King and Waldman and former Commissioner Rini was formed to lead the efforts.

DISCUSSION

The efforts of the PAC have resulted in the installation of two murals within the Community Center and the placement of three sculptures outside of the center. In addition, the subcommittee oversaw the installation of the first of a rotating gallery along the main hallway of the center, partnering with the Los Altos History Museum to display a series of historical photographs.

In preparation for the rotation of artwork along the main hallway of the center, the Commission approved the “Where I’m From” call for art. The deadline to submit entries for the call is March 1, 2022.
