Exhibit your Art in Los Altos

Submissions due by March 18, 2020

Vibrant, progressive and **inspirational** is how the Los Altos Public Arts program is described. Don't miss this opportunity to be part of the Silicon Valley arts scene by exhibiting your work in Los Altos—in the heart of the Valley.

Our city showcases art from around the world on downtown streets, in city parks and in green areas across the Los Altos community.

Currently we're looking for new works representing a variety of media, including sculpture, mosaics, electronic and interactive art, and other forms of visual expression.

About the Public Art Loan Program

Artists whose work is selected for inclusion receive a \$5,000 stipend to help defray insurance, transportation and other costs. Both the artists and their work will be promoted through local newspapers, on the City's website, and in a citywide Arts Tour brochure. Selected work will be on loan for a period of two years.

Size Requirements

Sculptures may have bases measuring from 3' x 3' to 6' x 6'. Other installations will need to fit within the constraints of the selected venues, leaving adequate space for pedestrian and bicycle traffic.
