

Solar S'mores

Overview & Purpose

Celebrate Earth Day by using the power of the sun to cook a yummy treat!

Materials Needed

1. Sturdy gift box, scissors, tape
2. Foil and plastic wrap
3. S'more ingredients (marshmallows chocolate bars, graham crackers)

Activity

1. Cut a rectangle in the top of the box and cover it with plastic wrap (use tape)
2. Line inside of the box with foil.
3. Place graham cracker squares in the box and top with square of chocolate and ½ of a marshmallow.
4. Place in a sunny spot (use foil or metal trays to reflect more sunlight).
5. When chocolate appears soft, top each treat with a second graham cracker square and enjoy!
