

Jenga mi lengua

Use Jenga blocks to learn letters of the alphabet, sight words, or words in a different language.

1. Got Jenga? If not, you can find it on Amazon or Target or at a local Toy Store. (<https://www.amazon.com/Jenga-A2120EU4-Classic-Game/dp/B00ABA0ZOA>)
2. Write letters or words on the blocks (note: if you use pencil, you can erase later with the pencil eraser or try a white magic sponge-type eraser).
3. Take turns trying to remove a block without knocking the tower over. Read the letter or the word and place it on the table. You can have a sheet for matching letters or words, if you like.
4. Take it up a notch by adding more challenges. For example, after they read the letter....they can tell you a word that starts or ends with that letter. The matching letter sheet can contain lower case letters that are then matched to the upper case letters on the wooden blocks. For sight words, ask them to use the word in a sentence.
