In-Home Repair Program

The In-Home Repair Program has three repair volunteers. Lorraine Hancock, Dave Izant and Bill Schick are volunteering to help with *minor* in-home repairs. This program is **free** for **current members** and is **not** for emergency repairs. Turn around time can be up to two weeks. Examples of repairs that may be requested are:

Electrical — Changing Light Bulbs, Switches

Plumbing — Dripping Faucet, Leaky Toilet

Sprinklers — Timers, Sprinkler Heads

No in-home repair request is guaranteed.

Volunteers may determine that requests are too extensive. In-home repair requests can be closed at any time due to an over abundance of requests.
