2. Update on Banner and Shirts

Action: None Taken

Discussion: Staff Liaison Chew discussed the purchase for a banner for the Senior Commission. The Cost is between \$500 to \$10,000. During this discussion it was brought to light what a banner is to City Staff and what a banner is to the Senior Commission. What the Senior Commission really wants is a poster, which would be possible to do. There was also mention of a table skirt/cloth that could be utilized when the Senior Commission goes out to promote senior programs that take place in Los Altos. The next step would be to find out how much that would cost.

The other part of the discussion was regarding the purchase of new shirts. The current shirts cost \$600.00. The Commission does not have a budget, the money would have to come from the Recreation Department and it's not possible to purchase these items now.

There are dates set up for Grant and one date set up for Hillview. There was a question regarding copies being made for these workshops. It was decided during this time that Los Altos Hills will cover the cost to make the copies for these workshops.

The other question was regarding snacks to be provided during the workshops. Staff Liaison Chew, explained that many of the snacks that are provided are donated from other organizations. The City does not have extra funds to put towards food at workshops that take place on a regular basis. If there are donations for snacks, then those items are provided at ongoing workshops.
