2. Fall and Winter Senior Workshops

Sarah Robustelli, LAH Liaison: Actually under Item 5. Based on Senior recommendations, we have held a total of 2 workshops partnered with a law office, 2 legal webinars for Seniors and the webinars were held and recorded live on the Town's video which is also linked to Item #5.

Essential Documents for Seniors was held in the Spring and Planning for Senior Care Options was held in the Summer recorded and available online. Overall, there were 10 participants viewed live and available on the Senior Commission LAH web site. The Law Office is currently too busy to continue these classes in the Fall and Winter but still interested in working with us providing these free seminars and promised to circle back basically early next year for Spring and Summer next year.

3. Senior Commission Name

Commissioner Buchholz: Has been thinking about active seniors. Would 55+ meet the criteria?

Vice Chair Cohen: Confusing, the programs 50+ do not consider themselves seniors. Lower the criteria age from 65 to 50+.

Bridget Matheson, Liaison: Topic has come up and been discussed by Commissioner Basiji and previous Commissioner Murry was 55 and Commissioner Yu was under 65.

Chair Nagao: Does not think the Commissioner needs to be consistent at 50 or 65 and should not limit younger members joining. Someone younger joining the Commission who is looking out for seniors is a good thing, looking out for their welfare.

Cheri Anderson, 50+ Coordinator: The Adult 50+ name is seen as progressive and on the move.

Vice Chair Cohen: Moves to table this discussion.

Commissioner Buchholz: Seconds this motion

COMMISSIONERS' REPORTS AND COMMENTS

Chair Nagao and Vice Chair Cohen have nothing new to report on since everything is closed down and status quo.

Commissioner Buchholz: Gave update regarding Age Friendly Programming. Commissioner Buchholz is very interested in this topic and wants to know how the Senior Commission can assist staff. Since this topic was not officially put on the agenda a decision regarding Senior Commission involvement cannot be discussed at this time. The recommendation is to put the topic of Age Friendly programming on the agenda for the meeting that will take place on Monday, September 13, 2021. It was also noted that this topic is staff driven.
