Discussion

Old Business

1. **Band Night Discussion** – There was discussion on when this event should be held. The commission agreed that if it was to be held before the end of the school year that we would have to hold a special meeting just to discuss Band Night. The date the commission was interested in holding the event will be May 26, with a special Band Night commission meeting to be held next week (May 10).
2. **Speakers Forum Update** – Robert Acosta had some difficulty in getting together with CHAC to find out who the speakers are going to be. The date has been narrowed down to either May 24 or May 31. We hope to have all the information finalized by the next regular commission meeting.

New Business

1. **CHAC Special Event (Brent Butler)** – Brent Butler was unable to attend the meeting, but Robert Acosta reported to the commission that he might need some help[in working at CHAC's special event, the Great Duck Race. Commissioners were told that if they were interested in helping at this event that they should contact Officer Butler in his office.
2. **Underground High School Project** – Teen Program Coordinator Cesar Zapata presented the commission with information on a possible high school event to be put on at the Underground. He would like there to be a small dance area, with some tables possibly outside, and a coffee bar. We would like to do it during the regular hours that the Garden House is rented. The commission was very interested and will look to do this during the early part of next school year.
