### Discussion

#### Old Business

1. **“The Night” – discussion** – Input from students who attended was positive. Commission agreed that fliers needed to be handed out well in advance, possibly a month. It was also discussed that maybe fliers be left at places where high school students hang out. In the future, each commissioner will only be allowed to bring one or two guests each. Also, it was decided that commissioners will sign-up for times they will work.
2. **Speakers Forum Update** – Robert Acosta informed the commission that the Community Health Awareness Council (CHAC) will assist in getting a speaker for the forum. The event is scheduled for the first or second week of April.

#### New Business

1. **Band Night Discussion** – Commissioner Weed has spoken to four bands and they are interested in having a “Battle of the Bands”. Commissioners will talk to bands and give them potential dates for this event.
2. **Next Community Service Project** – It was decided to table the community service project until a final decision has been made on Band Night.
3. **Spring Break/Summer Meetings** – Commission voted not to meet during spring break and during summer months, due to the fact that these meetings were cancelled because of low attendance in the past.

**Other Matters**

1. Commissioner Coddling reported that there would be a master Plan Task Force meeting on the following Thursday (March 23)
2. Teen Program Coordinator showed the commission a plan for a possible event at the Underground Teen Center. The commission will put this on the agenda to be discussed at the next meeting.

**Adjournment**

Meeting was adjourned at 8:17pm.
